

[Appendix B 24010874](#)

1. 708 Meters

Seamless pipe 6" Sch 40, material API 5L grade B/ASTM A/SA106 grade B, EN 10217-2 P235GH, EN10219-1/2 S235JRH.

For sour service

Outside Coating: Wrapper of Trio HDPE, 4.0 mm thickness according to DIN 30670.

Each length: 12 Mtr.

Testing and Acceptance: Mill Test Certificate to EN 10204/3.1 according to API Standards 5LX including chemical and physical properties.

European Manufacturer only.

2. 42 Meters

Steel pipe 2" sch.80 Seamless. Material APL 5L grade B/ASTM A/SA106 grade B, or EN 10216-2 P265GH-TC1.

Each length: 6 mts. Bare pipe. For sour service

Size: 60.3 X 5.5 mm

In single random lengths

Testing and Acceptance:

Mill Test Certificate to EN 10204/3.1 according to API Standards 5LX including chemical and physical properties.

European Manufacturer only.

3. 60 Meters

Seamless Steel pipe 4" Sch.80, According to API 5L Gr.B/ASTM A/SA106 Grade B, or EN 10216-2 P265GH-TC-1,

Size: 114.3 X 8.6 mm

Each length: 6 mts. Bare pipe. For sour service

In single random lengths

Testing and Acceptance: Mill Test Certificate to EN 10204/3.1 according to API Standards 5LX including chemical and physical properties.

European Manufacturer only.

4. 24 Meters

Seamless Steel pipe 3" Sch.80, According to API 5L Gr.B/ASTM A/SA106 Grade B, or EN 10216-2 P265GH-TC-1,

Each length: 6. Bare pipe. For sour service

In single random lengths

Testing and Acceptance: Mill Test Certificate to EN 10204/3.1 according to API Standards 5LX including chemical and physical properties.

European Manufacturer only.

All Pipes must be manufacture by one or more of the manufacturers included in the list below:

- Salzgitter Mannesmann Line Pipe GmbH
- Tenaris S.A.
- Interpipe Limited
- Liberty Galaty
- Vallourec
